

# Activities

**Dinokeng Game Reserve near Pretoria is the ultimate 'safari getaway' in Gauteng.**

## Game Drives

Tshikwalo Game Lodge offers guided game drives on an open Safari vehicle with a qualified guide with sightings of the Big-5. The game drive normally takes 2.5 hours to complete and during the drive a scenic spot is usually sought out to stop and enjoy your drink and snack while you view the sunset over the African bush.

## Self Game Drives

On 16 December 2014, Dinokeng introduced the DGR self-drive route, with more planned for the near future. This is proving to be a very popular game viewing experience for visitors to Dinokeng and the African bush.

## Bush Picnic

Why not treat yourself to a romantic bush picnic during your stay? You will be taken with our game viewer to a secluded spot overlooking the dam where your picnic will await you. Chilled drinks and platters with mouthwatering food will complement this outing.

## Romantic Bush Dinner

Our romantic bush dinner is set in a secluded spot in our private boma. You will be amazed to be completely alone in the bush only accompanied by a small fire and candlelight. Your food and drinks will be served to you by an attending waiter while you listen to the nocturnal sounds of Africa.
