

# Guesthouse

*exclusive bush breakaway*

We have recently added a 10 bedroom guesthouse to our portfolio of accommodation.

The Tshikwalo Guesthouse is situated about 500m down the road from the main lodge and therefore ideal for guests looking for a private location in the bush.

The guesthouse can accommodate 10 single guests or 20 sharing guests with a fully equipped kitchen, lounge, private swimming pool and braai area.

The guesthouse is also perfectly suited for special celebrations and corporate functions. We also offer private conference facilities for small groups looking to have an exclusive bush breakaway.

The option of self-catering, part catering or full catering by a qualified chef for the weekend or function is available on request.

The guesthouse has a large and beautifully maintained garden with various areas where intimate settings for wine tastings, dinner under the stars and many more can be set-up for corporate or family groups. These gardens also provide ample space and opportunity for corporate teambuilding groups and activities.

The guesthouse must be rented in totality as it can't be shared with other guests.
